New Jersey's 'Do Not Call List' is WONDERFUL! As a busy parent of 3 children, receiving unsolicited phone calls throughout the day is the last thing I need! It was always very frustrating and time consuming. The telemarketers have a follow-up plea to every way a person can say, "No, thank you." Since being on the Do Not Call List, I have received very few unsolicited calls. When I have received one, all I have to do is mention that I'm on the list and they apologize and end the call. I urge you to please NOT overturn New Jersey's 'Do Not Call' law. Why should we have to be burdened by such calls if they are unwelcome?
